ANTI-AGING CLINIC & DISPENSARY INC.

Anti-Aging Clinic & Dispensary Inc. once again swept the Readers' Choice with 12 top awards including Cosmetic Skin Services, Facial Services, Laser Hair Removal, Laser Skin Rejuvenation, Medical/Health Services, Medical Clinic, Weight Control Services, Overall Service – Health/Wellness/Fitness. Further, Dr. Rodney Land was voted Favourite Cosmetic Doctor. While co-owner Blade Tiessen was voted Favourite Dermatologist and tied with co-owner Ben Tiessen as Favourite Medical Aesthetician.

"We're honoured to accept these awards and thankful to our patients and the community for voting for us" says Ben. "Even more, we're extremely proud to be Orillia's trusted name in Medical Aesthetics for 23 years" adds Blade.

Rejuvenate yourself and boost your confidence with the clinic's comprehensive range of non-invasive face, body and wellness treatments featuring competitive pricing and financing options to help you age gorgeously.

Best lips in town? From a natural subtle plump to a brand-new pout, the clinic is Orillia's longest provider of various injectables like Juvederm™ and Botox™. All skillfully performed by Dr. Rodney Land, a local physician with 10 years experience.

Skin goals? Beautiful skin is possible with the clinic's exclusive procedures and products that naturally improve tone, texture and firmness plus conditions like acne, rosacea, pigmentation, melasma and all signs of aging.

Experience life-changing results. The state-of-the-art clinic continues to

ANTI-AGING CLINIC WINS 12 TOP AWARDS

pioneer energy-based treatments in Simcoe offering emerging technologies like Sofwave™, Sylfirm X®, TempSure® and JetPeel®. Addressing your concerns safely, non-invasively with no downtime and expertly performed by Blade Tiessen; an internationally acclaimed Medical Aesthetician celebrating a 37-year career, along with Nurse Sue Anthony with over 30 years experience.

Body goals? Crush them using groundbreaking technology for permanent fat reduction, skin tightening, stretch-marks and cellulite reduction ensuring your success with FlexSure™, ColdSculpting™ and LumiCell™ all performed by Ben Tiessen with 23 years experience.

Health goals? Your total body rejuvenation destination, indulge in several advanced wellness treatments that provide health, energy and metabolism boosts while

improving skin from head-to-toe including: Sybaritic™ PODs, oxygen aromatherapies and Beauty Angel® red light collagen-stimulating booth.

Hair goals? The clinic offers full body laser hair removal to effectively remove unwanted hair and next-generation scalp health procedures to stimulate hair regrowth for all genders.

"We're the first locally offering ProNox™ (nitrous) and Zimmer® (cryotherapy) during procedures to alleviate pain and anxiety," says Ben. "Our patients' comfort is equally important as getting them the results our clinic is famous for."

Enjoy the updated and improved you. Rest assured you're in the finest hands.

Thank you for voting us your favourite.
