

Botox Clinic of the Year 2024 - Ontario

Spanning over a spectrum of beauty treatments, Anti-Aging Clinic & Dispensary Inc. is an advanced aesthetic clinic delivering a wide array of multi-award-winning non-surgical skin treatments including cosmetic injections, non-invasive facial lifting, laser skin rejuvenation, skin tightening along with laser hair removal, medical wellness services, weight control services, body sculpting, and more.

Following its success within the Canadian Business Awards 2024, we speak with founder Blade Tiessen to learn more about Anti-Aging Clinic & Dispensary's unique offerings.

Based in the heart of Orillia, Ontario, Anti-Aging Clinic & Dispensary was founded by Blade and Ben Tiessen. Celebrating 24 years in the community, it has maintained its position as a premier med spa, delivering the best aesthetic solutions to its clients. Renowned for its international expertise in anti-aging treatments, coupled with state-of-the-art technology, this clinic stands as an example of excellence and authority in its field.

The owners of this clinic are esteemed figures in the industry who have earned international recognition for their pioneering contributions to non-invasive aesthetic treatments. For over a decade now, they have shifted to cruelty-free, vegan, organic, and natural products to provide the best and most sustainable treatments for their loyal and enthusiastic clients.

Ultimate customer satisfaction is a core value of the company and, enjoying over two decades in Orillia, the clinic has gained numerous international clients who were drawn to this clinic for its distinctive technology and advanced protocols.

Exhibiting a continued commitment to innovation, the clinic unveiled its latest procedures featuring Sofwave®, JetPeel®, and Sylfirm X®. These cutting-edge non-invasive dermal technologies are clinically proven to stimulate collagen production naturally, offering a range of non-invasive painless procedures encompassing facial lifting, skin tightening, rejuvenation, and wrinkle reduction. For spring 2024, the clinic launched an innovative and affordable makeup line offering 100% vegan, cruelty-free, organic, and natural formulations packaged in reusable and refillable eco-luxe sustainable bamboo packaging.

Anti-Aging Clinic & Dispensary's efficacy in addressing a range of dermatological concerns including acne, rosacea, pigmentation, melasma, scar minimization, pore reduction, and facial flushing is truly noteworthy, thanks to Blade Tiessen's advanced protocols and his highly trained team of experts.

Celebrating 40 years of experience in the medical aesthetics industry, Blade has a great wealth of knowledge about the best suitable treatments and products for individuals. He and

his team together with complete honesty, integrity, and empathy deliver the best natural solutions to clients in their state-of-the-art 3,500-square-foot medical clinic.

This facility replete with the latest advancements in facial rejuvenation, hair regeneration, and body-sculpting technologies pledges to unveil the true essence of each individual, resurface their confidence, and make them feel refreshed, youthful, and happy in their own body.

Patients are invited to visit the multi-award-winning Anti-Aging Clinic & Dispensary to indulge in its wellness divisions featuring an array of revitalizing amenities, such as a total body red light collagen stimulating booth, wellness Sybaritic® PODs, a whole-body vibration gym, and an aromatherapy oxygen inhalation area. The first in the region emphasizing a complete total-body holistic approach to anti-aging and wellness, the clinic prides itself on delivering bespoke results-driven treatments tailored to the unique needs of each patient.

The implementation of medical air purification systems in treatment rooms, coupled with a professional adherence to advanced sterilization protocols, and mandatory mask wearing by staff, underscores the clinic's firm commitment to cleanliness and patient safety. Furthermore, its patient comfort technology like ProNox® nitrous (gas) and Zimmer® cryotherapy provide an enjoyable pain-free experience.

In pursuit of complete rejuvenation, the clinic harnesses its extensive knowledge of skincare ingredients, augmented by AI algorithms, to curate custom-compounded dermatological skincare solutions tailored to each individual's needs. Brands such as Universkin™, ElaSpa™, and ZAO™ represent the trifecta of excellence in medical-grade skincare, promising indulgence in liquid luxuries that cater to every need.

With a track record of unparalleled expertise, an extensive range of options, and a trove of annual accolades, Anti-Aging Clinic & Dispensary has rightfully earned the title of Botox Clinic of the Year 2024 - Ontario, and we wish this medical aesthetics clinic the best for all its future endeavors.
